

Neutral Brewer's Detergent

For Brewers & Homebrewers

sisbrew.com

DESCRIPTION

This highly concentrated blend of mild, synthetic detergents, water softeners, grease emulsifiers, and emollients is powerful enough to cut grease, dried-on-food, and other hard to remove substances from pots, pans, dishes, glassware, and silverware. Can be used as a foaming cleaner. Also works great to clean canning and bottling equipment.

DIRECTIONS

GENERAL CLEANING: Dilute 1 to 4 ounces per gallon of water depending on soil load and apply with a pump-up sprayer or trigger spray bottle. Scrub with brush or rag. Rinse with clean water.

FOAMING: Use 2 to 10 ounces per gallon of water depending on soil load. Apply to surfaces with proper foaming equipment. Allow 10 minutes of contact time during which manual scrubbing can be done. Rinse with clean water. It is recommended to periodically clean dilution tips in your equipment to prevent buildup and clogging.

APPLICATIONS

- Pots, pans, dishes, glassware, and silverware
- Canning and bottling equipment
- Soaking to remove tough soils and grease

SPECIFICATIONS

Color.....	Blue
Fragrance	Mild
pH Range.....	8.3 - 9.3
Dilution	1 - 10 oz. / gal.
Density.....	8.67

PACKAGING

1 quart	FBGP15-06
5 gallons	FBGP15-05
55 gallons	FBGP15-55
